Day Treatment Programs

Family Service of Madison, Steps to Success

A day treatment is a program that provides comprehensive mental health to middle school youth, male and female, ages 11-14 who are struggling in at home, in school or in the community due to mental health and behavioral challenges.

<http://fsmad.org/>

NorthStar Counseling Center

Adolescent Day Treatment

Since 1990 NorthStar Day Treatment has been helping troubled adolescents through difficult times. Using evidence based treatment approaches, NorthStar helps adolescents develop a healthier and better sense of self-identity. Helping adolescents find their 'true' and healthier voice is what NorthStar is all about. Providing an emotionally safe, confidential and structured treatment setting is essential in this process.

<http://northstarmentalhealth.com/>

Rogers Memorial Hospital

Rogers Memorial Hospital offers a day treatment program for children and adolescents ages 5 to 18, which provides coordinated treatment in a safe and structured setting five days per week. During the school year, the half-day schedule allows children and adolescents to remain enrolled in their school for part of the day. During the summer, kids can work on developing skills to help them meet the challenges of the next school year.

<https://rogershospital.org/treatment-service/child-and-adolescent-day-treatment>

Wisconsin Department of Health Services

Child and adolescent day treatment services are provided in a safe, structured, supportive, and therapeutic environment. Upon admission, each young person receives an in-depth evaluation of his/her needs completed by a licensed clinician. This evaluation is used to develop an individualized treatment plan.
